

# What is MindBody?

You've probably heard us talk about MindBody in the past and some have already started using it's features. MindBody is a software program that we have started using in 2016 which allows clients to schedule and pay for lessons, camps, and classes online, as well as set up reoccurring payments for monthly team dues.

You can access MindBody by the following methods:

1. Go directly to [www.mindbodyonline.com](http://www.mindbodyonline.com)
  - Click "Login" (top right corner)
  - Search for "RBA West" and hit select
  - Login to your Account or Create Account
  - If you are a first time user, then you will need to "continue to site without logging in"
  - Set up account with the Player as the Client Name (not parents name)
  - Once you are on the site, you can sign up for camps, lessons, etc.
2. Go to [www.rbawest.com](http://www.rbawest.com) and click on the following images to access MindBody:

3. Download MindBody App and login or create account:
